AI evolved. Life elevated.

Multiple tasks with one ask

Streamline your day with an assistant that gets you. Have it send your boss a summary about the big, new industry merger. Enable a workflow to keep your team on the same page – your phone has it under control.[1]

Your cloud-based mobile HQ

Simplify how you remotely direct your mobile fleet and empower your workforce – in the office or in the field – with Samsung Account for Business.

More power to you

Reimagine what's possible with our most powerful processor yet. Effortlessly translate your calls, slow down a video or edit your photos without skipping a beat.

Start the day smarter

Stay one step ahead with a phone that gives you the info you need before you even know you need it. Now Brief gives you personalized insights based on your schedule.[2]

Turn voice calls into notes

Record and summarize phone calls, just like that. With a simple tap, you can record an important business call so you don't forget the vital details and summarize the conversation into notes.

The display your content deserves

Present your ideas with the massive display of Galaxy S25 Series. Showcase it all – from the tiniest components to the bigger picture – in bright, vivid detail.
